

Women for a Change, INC5.2 Geneva 2025

INC-5.2 – Day 5 Highlights

- 📍 Geneva, Switzerland
- ◆ Ground action calling for change in process
- ◆ Meeting with Cameroon CSO delegation
- ◆ Engagement with Women Major Group against plastic pollution

Ground Action

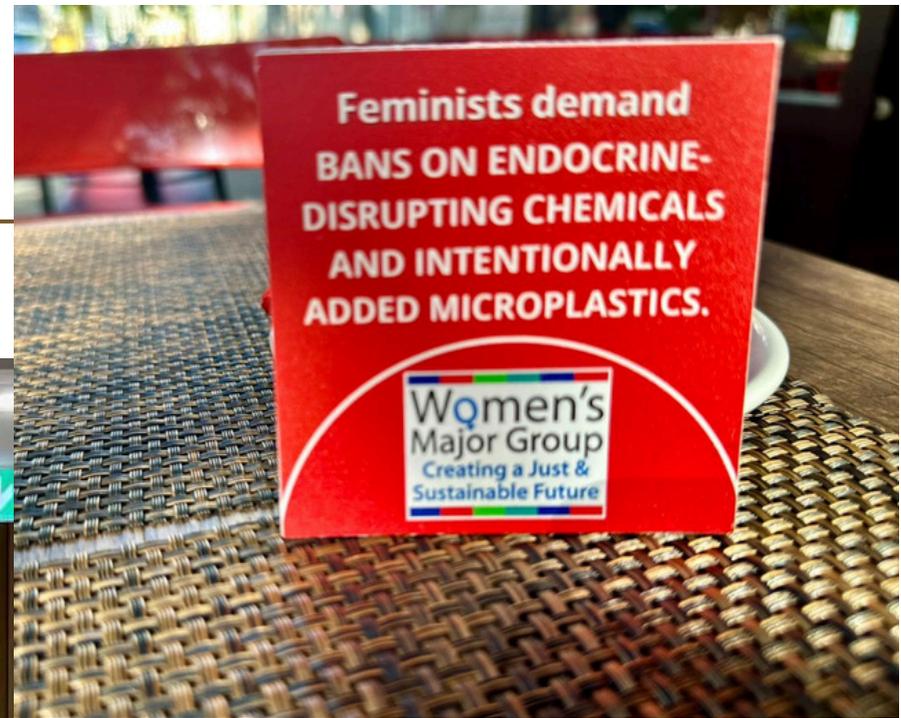

WFAC joined a powerful ground action with the call:

“We need a change in the process and we need you to keep your process.”

A bold reminder of the urgency for transparency and accountability.

Women Major Group

We engaged with the **Women Major Group** against plastic pollution, reinforcing **feminist voices** in the global movement for a just, health-centered plastics treaty.

Looking Ahead

As INC5.2 heads into its final stretch, WFAC remains focused on:

- ◆ **Pushing for inclusive, transparent negotiation processes**
- ◆ **Centering women's health and rights in treaty outcomes**
- ◆ **Strengthening African and Global South voices in decision-making**
- ◆ **Building alliances across civil society for a strong, just plastics treaty**
